Mr. Donald Bodeker
Office Engineer
City Engineers Office

Dear Mr. Bodeker:

Re: Proposed vacation of the first alley west of Bradbury Avenue from a point 1400 feet south of the north property line of Lot 72, Elzey's Third Addition to the southerly property line of the first alley north of Lower Huntington Road. Also, the vacation of the first alley north of Lower Huntington Road from the west property line of Bradbury Avenue to the east property line of the first alley west of Bradbury Avenue.

We have no objection to the proposed vacations, since the petitioner owns Lots 72 through 75 and has agreed to the dedication of a 14-foot alley along the north edge of Lot 72 for the following reasons:

1. The vacation of this alley would permit the properties owned by the petitioner to be tied together and utilized as one tract.
2. If the petitioner dedicates and establishes an alley across the north 14 feet of Lot 72, he will be providing for the same traffic circulation and access to the rear of the properties as now exists.
3. The proposed vacation would eliminate over 100 feet of alley to be maintained by the city but yet would still serve the same function.

Sincerely,

CITY PLAN COMMISSION
